8th September 2017

Dear Parents/Carers,

Extra-Curricular Clubs for the Autumn Term 2017

Please find attached a list of the extra-curricular clubs that are available to children during the Autumn Term 2017. All of the free clubs (**listed in RED**) will start during the week of Monday 18th September 2017 and the last session will be in the week commencing 11th December 2017. If you wish to sign-up for these clubs please complete the attached form, being careful to only select clubs that are available to the right year group, and return to the school office by **Wednesday 13th September 2017**. If a club is over subscribed places will be allocated by lucky dip. We will confirm which clubs your child has a place in and which clubs they are on the waiting list for. Children on the waiting list will be given first preference for the same club next term.

Further information about each club is available on the school website www.devonshireprimary.org

Please ensure your child has the correct kit as failure to provide this will result in your child not being able to take part. This is especially important for Football Clubs and Tag-Rugby. Your child will also need a named bottle of water in school. In wet weather, classroom sessions will be held instead.

We expect all our children to behave in Extra-Curricular Clubs as they would during the school day. Should they not do so they may lose their place. They will receive a written warning before their place is withdrawn.

Children must be collected promptly at the stated finishing time. If a child is late being collected their place will be at risk. If somebody else is collecting your child please ensure they are aware of the collection door, finishing time and have your password.

We also offer a variety of musical instrument lessons during the school day and if you would be interested in finding out more please contact the teachers directly:

The following clubs are provided by an external provider and there is a charge. Information will be emailed to you as soon as we receive it. Bookings are made directly with the provider and any queries should be directed to them and not the school office.
