

Devonshire Primary School

11th January 2019

Dear Devonshire Families,

Our school has registered with the National Schools Partnership to take part in a nationwide battery recycling challenge.

Devonshire Primary School will be automatically entered in to the **Big Battery Hunt** prize draw. Our school could win:

- A 2-night class trip to the sustainability centre
- A 3-year subscription to MyMaths worth £1,000
- £2000 worth of school equipment vouchers
- iPads
- Certificates and trophies

Your child will receive a free battery collection box which will be brought home today. Please help your child to collect used batteries. The collected batteries can be recycled at supermarkets, recycling centres and at school. If the batteries are to be recycled at school, the battery box must be given to the class's eco-group member.

Thank you for your support. - Mrs Reddy
