Dear Parents,

Key Stage One Maths Parent Workshop – REVISED DATE

We are holding a Maths workshop for KS1 (years 1 & 2) parents on Wednesday 23rd May 2018. The aim of the workshop is to provide you with a greater understanding of how Maths is taught in school and how you can support your child's learning at home.

If you would like some ideas for activities to try at home with your child and to try out the methods we use in school then please come along and join us. There will be a range of resources to try and some to take away with you. There will also be the opportunity to ask any questions about maths in school and how best to support your child.

The workshop will take place on **Wednesday 23rd May at 2:30pm**. The session will last approximately 30 minutes.

We look forward to see you there.

Kindest Regards,

Mrs. L Love

&

Miss T Sumner
