15th January 2019

Dear Year 3 families,

On Tuesday 12th February 2019 we will be taking Year 3 to Beddington Park as part of our science topics on rocks and soils. We shall be particularly looking at the buildings and bridges to see how different rocks or stone are used in building, trying to identify how natural rock differs from man made.

We will be leaving after morning registration and returning by lunchtime. We will be travelling by train. School uniform is to be worn and sensible shoes; although, if the weather is cold, children may wear warm jogging bottoms.

We will return to school in time for lunch. The children are welcome to bring a morning snack (**NO NUTS PLEASE**) including a water bottle.

As you have already signed a Lifetime Consent Form for School Trips no permission is required but please speak to your class teacher if you do not wish your child to attend this trip.

If you hold a current DBS and able to help on this trip please speak to your child's class teacher - Thank you.

There is no cost for this trip.

Yours sincerely,

Mrs Kingsnorth, Miss Messenger and Mrs Stockden
Year 3 Teachers
