19th October 2017

Dear Parent/Carer,

Year 5 Residential 2018

We are pleased to inform you that this year, we are able to offer your child the opportunity to attend an overnight residential in March 2018. The residential will take place on Tuesday 27th March 2018 and staying overnight before returning to school on Wednesday 28th March 2018. Children will leave from school at the end of the school day and return the following morning before lunchtime.

The residential will take place at the Winchester Science Centre, where children will be given a unique opportunity to sleep at the centre and use the facilities after the closing hours to the public. This visit will also be linked to our topic work on "Space". During their visit, the children will attend an evening workshop, explore the various exhibits and receive a show in the planetarium before leaving. Each workshop will be delivered by professional scientists and during our stay we will be the sole occupiers of the centre itself.

The cost for this trip will be £65.00 which includes the price of the workshops, dinner and breakfast in the morning. Children should bring their own sleeping bag and pillow for the trip.

If you are unable to contribute fully but wish your child to participate, it is important that you contact Mrs Scivens, Assistant Headteacher so that all options may be considered at this early stage.

A £15.00 non-refundable deposit will need to be paid via ParentPay by **Friday 1st December 2017.**

The remaining £50.00 balance can be paid in smaller amounts that suit you, but must be paid in full by **Monday 19th February 2018.**

Making a payment is straight forward. Either logon on to www.parentpay.com and pay using your credit/debit card, or if you do not have access to the internet, you can pay for this trip in a local Paypoint store using the barcode letter attached. Show the barcoded letter and give the cash to the till provider who will scan the barcode and accept your payment.
