September 2018

Dear Parent/Carer,

## Year 5 Residential 2018

We are pleased to inform you that your child's place on the Year 5 residential is now confirmed. Below is an outline of how the trip will run and what needs to be provided for the duration of the trip.

Children will come to school as normal on the 11<sup>th</sup> October 2018 where they will spend the full day at school, attend all lessons and have lunch. At 4pm, the children will be collected by coach and transported to the Science Centre to arrive by 6pm. Upon arrival, we will be greeted by the centre's staff and have a talk about the overnight stay; at this point onwards, we will be the only visitors inside the building. Children will then have the opportunity to explore the wide variety of interactive exhibits on offer before dinner. After dinner, children will watch a film in the Planetarium before they return back to the main hall to sleep. The following morning, children will receive a breakfast of cereal and toast before they enter the planetarium for a science show. We will be leaving the centre at 9am and returning to school for 11am.

After returning, children will return to class until lunch. We are offering parents/carers the opportunity to collect their child at 13.30pm. The children will need a school dinner or a packed lunch will need to be dropped off by 10am on the morning of the 12<sup>th</sup> October. Please note that any children being collected at the earlier time, will not be able to take siblings out of school at this earlier time. If children are unable to be collected at these earlier times, they will remain in school until the usual collection time of 3:15pm.

For this trip, children will need to be provided with a sleeping bag and pillow for sleeping in the evening, as well as a toothbrush and toothpaste. Unfortunately, there are no washing facilities for children to shower. A change of uniform will also be required for the morning, including usual school shoes and not trainers.

Yours Sincerely,

James Wells  
Upper Key Stage 2 Leader
