Dear Families,

Re: new home time arrangements

We are aware of congestion at the end of the school day, particularly at the exit near the year 4/6 entrance/exit to the school grounds.

In order to alleviate this, from tomorrow we ask that Pine class are picked up from the yr 1 entrance/exit at the end of the day. This will reduce the congestion at the central exit when all the KS2 children leave the building.

The arrangement for collecting children late remains unchanged.

If you have any questions, please do not hesitate to contact me.

Thank you in advance for your cooperation.

Yours sincerely

Bethan Scrivens
Assistant Headteacher
