

## If you have to drive...

If you do have to drive to school please help others walk and keep safe by parking considerately.

### 1. Zig Zag Lines

**Please do not stop or park on the yellow zig-zag lines outside your school.** It is illegal.

This is to help make the area safer for children travelling to and from school.

The zig-zag lines are patrolled by the Council and the Police. If your car is caught on them you will be fined £100.

### 2. Park and Stride

By parking a short walk away from the school you can help keep the road outside school safer for all. (See inside this leaflet for where to park).

### 3. Local residents

It can be frustrating for residents near to the school if parents park across their driveways. Please be considerate of others if you have to drive.

## Benefits of WoW

*'As a meteorologist and climate change expert I understand and appreciate the environmental benefits of walking. As a mother it's a double benefit as I also enjoy the time I can spend with my children walking to school. We walk as much as we can.'*

Helen Young, Former BBC Lead Weather Presenter, Sutton resident & supporter of sustainable travel to schools in Sutton

*"This is a great campaign. Not only is it good exercise but it also makes children more alert in classrooms, benefiting their learning."*

*"By using cars less people will also save money, help the environment and reduce traffic around the borough, especially outside schools, which makes the streets safer for children."*

Cllr Kirsty Jerome, Executive Member for Education and Schools, Sutton Council.

WoW is a scheme promoted by your school and Sutton Council to encourage families to walk to school.

# WoW Walking Zones

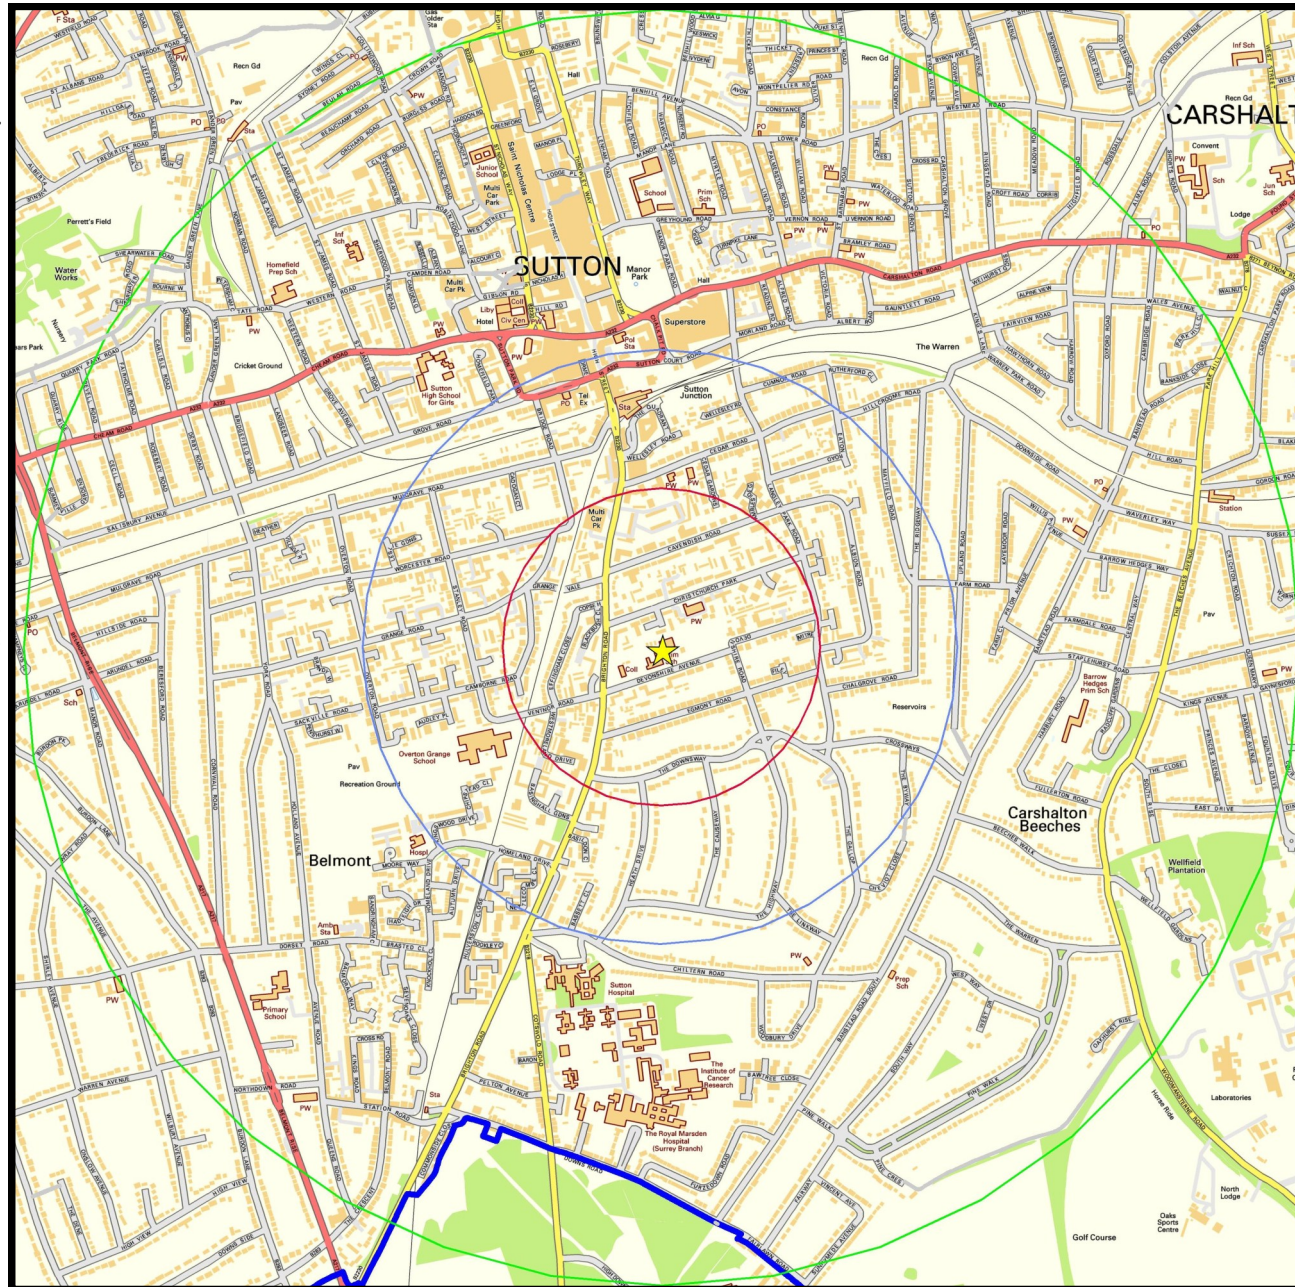

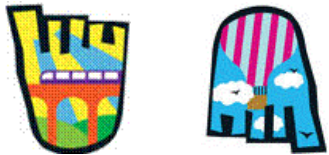

## How to join in with WoW

Your child will win a badge for each half term they walk to school once a week or more.\*

Each time you walk to school your child will receive a sticker to stick on a classroom wallchart.

At the end of each half term each pupil who has achieved the required level of walking will win a badge.

There are 2 designs to collect over the Summer Term. Can you collect both of the badges below?

What if we can't walk all the way to school?

You can still win badges!

Simply park somewhere outside the red circle and walk the rest of the way. This is called 'park and stride'.

In this way you can:

- benefit from a short walk with your child;
- Enable your child to participate in WoW;
- Help the school keep a clearer and safer road outside the entrance.

Talk to your school to see if they recommend anywhere to park. There may be somewhere like a supermarket or large car park near the school.
