10th May 2017

Dear Parents/Carers,

MATHS NURSERY WORKSHOP / STAY & LEARN THROUGH PLAY

On Wednesday 24th May you are invited to join us in Nursery for an Early Years maths workshop. There will be a short presentation for parents, followed by the opportunity to work with your child on a wide range of indoor and outdoor maths activities.

If you would like some ideas for activities to try at home and learn about the methods we use in school then please come along and join us. There will be a range of resources to explore and some to take away with you. There will also be the opportunity to ask any questions about maths in school and how best to support your child as they move into Reception.

Please arrive for your normal nursery session on the 24th May and then stay if you are able.

Kindest Regards,

Mrs. Love, Mrs. Attrill and Miss Sumner
