

Dear Devonshire families,

31st January 2019

With snow being forecast, it is a good opportunity to remind you of our procedures for informing parents/carers if the school is not able to open due to adverse weather conditions.

If Devonshire needs to close because of adverse weather conditions, we will inform parents/carers by way of a text message and the message will also go on to our website www.devonshireprimary.org as soon as we have made the decision early in the morning.

If we do need to make the decision to close, it is not a decision that we take lightly; the safety of everyone in the Devonshire community is central to the decision that we make.

Kind regards Devonshire Primary School

Dear Devonshire families,

31st January 2019

With snow being forecast, it is a good opportunity to remind you of our procedures for informing parents/carers if the school is not able to open due to adverse weather conditions.

If Devonshire needs to close because of adverse weather conditions, we will inform parents/carers by way of a text message and the message will also go on to our website www.devonshireprimary.org as soon as we have made the decision early in the morning.

If we do need to make the decision to close, it is not a decision that we take lightly; the safety of everyone in the Devonshire community is central to the decision that we make.
