Decorate the library on Friday 29th November

Begin sessions at 3.30pm

Jumper Sale

29th November after school

Need volunteers to help

Christmas Raffle

To take place within the EY/KS1 Christmas shows. Sell tickets at the event/on the door.

Team to reach out for donated prizes. Kerry to send Michelle her previous letter of request.

Team to buy prizes if needed.

Team representative to be at every show to sell tickets. Team representatives get a reserved front row seat.

2025

We ran through the calendar of possible events we would like to support in the new year.

AOB

It was requested that we look into an online calendar to share between the members.

Google Calendar was suggested but not everyone had a google login. "Family Wall" app

was suggested. Do not need mobile numbers to share. Platform to share event

dates/meetings. Kerry to investigate as she already uses the app and to share with the team in the new year.

Newsletter - team would still like to have a PSA newsletter. Michelle/Di to initiate as chairs.

We have a sum up machine to be able to take card payments.

Metrobank no longer has the change machine and is no longer open on a Sunday. Laura is investigating but changing over banking is proving to be more complicated than it might be worth.
