

## **PSA Minutes – 19th July 2024**

### **Summer fayre feedback**

Last year we raised £4500 but with extra outgoings for inflatables and Radio St Heliers. Despite having to move the fayre indoors this year, it was a huge success with £4000 being raised, without the extra outgoings.

There was more action at the stalls due to them being placed closer together indoors. It was suggested that we could place all the stalls closer together on the field in future and not below in the playground

There were some issues with the burger van so we could potentially start looking at other options as well as for vegan choices.

Would be a good idea to target new reception parents at the introduction evening and teacher home visits as we would need more volunteers next year, especially if the fayre is outdoors.
