07th November 2024

Dear Year 2 Families,

As part of our History topic this half term, 'Why did London burn?', we would like to invite the children to go back in time to 1666.

On Wednesday 20th November, we will be experiencing what school life would have been like during this time. To get fully involved, we would like the children (and Year 2 staff!) to dress up on this day. Costumes need not be complicated — and we would prefer the following “homemade” alternatives:

Boys: A large plain white shirt with a belt or cord around the waist; a plain waistcoat, if you have one; and plain, dark, baggy trousers (such as tracksuit bottoms) tucked into long socks.

Girls: A plain white shirt; a long, preferably plain skirt; a plain white apron (if you have one, to go over the top) and a plain white head scarf.

As we will be dressing up, there will be no PE on this day.

Thank you for your continued support. We look forward to seeing you all in your costumes!

Yours Sincerely,

Year 2 Team
