

Week ahead

Week beginning 22/9/25

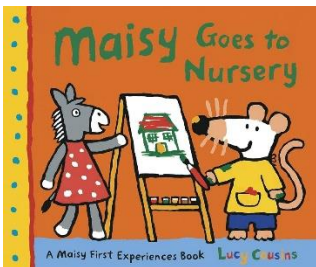

Welcome to Devonshire Nursery!

We have a great start to the year as the children are settling into Nursery. We can already see progress with how quickly and enthusiastically they come in each morning.

This 'Week Ahead' email will be sent out once a week. It will give you information about what is happening at nursery for the upcoming week. It will give you reminders about any forward dates, topic information and general notices.

We will continue getting to know your children and they will be learning their friend's names and the rules and routines to make Nursery safe and fun for everyone.

This week children will be bringing home a library book. The book will come home on Tuesday and need to come back on the following Monday. Please make sure your child has a suitable bag to bring home their book - different to the one kept at school with a change of clothes in, thank you.

We will be starting our first topic - Maisy goes to Nursery.

We will continue to get to know your children whilst doing activities. They will be making friendships and learn the importance of taking turns. They have already made progress in working together and looking after each other,

we are very impressed.

Each child has made a handprint to make our very own class hedgehog. We have no name for the hedgehog yet, so if you can think of a good one, please let us know.

If you have any questions, please come and speak to us at the beginning or end of the session, but please wait until all children are dropped off or picked up.

Mrs Tickner, Mrs Love, Miss G and Miss Massey
