

Week ahead

Week beginning 6/10/25

Dear Zoo

Rod Campbell

We have started our topic Dear Zoo. The children have loved role playing being zoo vets. They have printed giraffes, counted animals and made repeating pattern stripy snakes.

This week we will be learning about the other animals in the story: camels, frogs, monkeys and dogs.

We are hoping to have a special visitor. Please can you let us know if you child is anxious about or allergic to dogs. Mrs Love is going to bring her own dog Pickles into Hedgehog class. She came last year and it was a great success. The children will be allowed to stroke her if they want to. Pickles will be closely supervised at all times.

On Tuesday, please bring back the school library book that came home last week. Your child will choose a new one to bring home on Wednesday. **INSET day on Monday, nursery will be closed.**

On Thursday, the children will be bringing home a maths game, this is to be played with the child. Please do not let the child play it on their own, you talking with the child enhances their learning and will make it more fun too!

Both the library book and maths game will need to be returned on Monday -please make sure all of the pieces from the maths game are returned.

If you have any questions, please come and speak to us at the beginning or end of the session.

Mrs Tickner, Miss Massey, Miss G and Mrs Love
