

Week ahead

Week beginning 10/11/25

The children have had another busy week in Nursery, they have planted some flowers and bulbs in the growing area which is looking much more colourful!

They really enjoyed joining in with the story Shark in the dark. They made their own telescopes and talked about what they could see through them - no-one saw a shark! They explored the light box and made shape rockets. Glitter has been used a lot when making firework pictures!

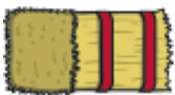

This week we will be moving onto our next topic of Old MacDonald had a farm. We will be looking at the similarities and differences between farm animals, we will continue to practice counting and singing songs about the farm.

Reminders - please can the children bring in a bag to take home books, maths games and work done in Nursery.

Also, can children please not bring in toys from home, they can become damaged or adopted by other children and this can cause upset.

We will shortly be sending home a wow moment sheet - if your child does something at home that you would like to share, please fill it in. We want to add them to your child's learning journey in school. It is lovely to hear what they have been achieving at home.

Do not forget to book your parent's evening slots!

Any questions please speak to a member of staff at the beginning or end of the session.

Mrs Tickner, Mrs Love, Miss Massey and Miss G
