

The Week Ahead...

Week beginning 3rd November 2025

This week we will be reading the stories about Autumn including 'Leafman' and 'The Leaf Thief'. We will be learning about 'Autumn'.

We will go on an Autumn walk around the school grounds and make our own leaf man, leaf girl or leaf pet! We will be looking out for signs of Autumn, such as the changing colours of the leaves, conkers, acorns. We will learn about changes in the weather as we head through Autumn to Winter. We have sent home an Autumn Scavenger Hunt for you to do during the holidays.

Phonics

This week we are recapping all the sounds we have learned so far, and will be assessing the children. We are sending home a sheet for half term which we hope will be useful for you to use to support your children at home. Our phonics programme moves quickly, so it is important that the children know all the sounds we have learned so far.

Our tricky words are: the is I

Please practise blending the sounds together to make words

Eg c - a - t say each sound and then blend together.

Maths

This week we will be recapping all our learning from the half term, including subitising, careful counting and using the language 'more than' and 'fewer than'.

Reminder: After half term the children will need to **wear** their PE kit to school on a Tuesday. Please can you check your child brought home the correct PE kit and does not have any items that do not belong to them.

Please ensure your child's water bottle is one with a straw and not just a lid and open top.
We have had a lot of water spillages.
