

Week ahead

Week beginning 1/12

This week, we started our new topic of the *Gingerbread man*. We told them the story the children, then they completed activities including making suncatchers, making playdough gingerbread men, counting buttons on gingerbread men and retelling the story using puppets. They were very engaged in the activities. We also opened our own gingerbread café - lots of order taking, food making and sharing with our friends.

This week we will continue with the gingerbread man theme and will be making our very own gingerbread men to eat!

Ingredients include flour, butter, syrup, ginger, sugar and bicarbonate of soda. Please let us know if your child cannot eat any of the ingredients.

We will be building bridges so that the gingerbread man won't be eaten by the fox!

Other activities will include designing our own gingerbread people, making gingerbread houses and other counting and cutting activities.

We will be having a Christmas song and craft session on Tuesday 16th December at 10:30 - we look forward to seeing you then in our classroom. The children can wear a Christmas jumper on that day. If you child does not have a Christmas jumper they can wear one of their own jumpers.

Any questions, please come and ask at the beginning or end of the session.
