Your child will be bringing home some handwriting sheets to practise during the holidays - please help them to ensure they are forming their letters correctly.

There are no reading books or library books this week. Please return all books on Thursday.

## Maths

This week we will be learning about shapes. We will recap the names and properties of 2-D shapes, and use shapes to make pictures and patterns. We will also be doing some weighing, and talking about the heaviest and lightest.

Your child can bring in Christmas cards for their friends and post them in their class Christmas letter box.

**We would like to wish you all a very Merry Christmas and we look forward to seeing everyone in 2026!**
