

Week ahead

Week beginning 19/1/26

As you can see the children have been very creative during our winter topic!

Next week we will be starting a new topic based on the story Where's Spot?

The children will be learning all about prepositional language like; on, under, behind, in, next to.

There will be lots of practical activities and games to reinforce this language.

We will be visiting the big playground and climbing frame this week - weather permitting.

Reminders

Please return maths games and books on a Monday morning.

On Tuesday your child will bring home a new book.

On Thursday they will bring home a maths game - please make sure all of the pieces are returned, on a Monday, as other children are bringing home games which they can't play as bits are missing. If pieces are missing, please let us know.

On Friday the children have P.E. Please make sure your child is wearing socks -it is very difficult for the children to take off and put on tights. You can encourage your child to put on their own socks and shoes at home!

If you have any questions please ask

Mrs Tickner, Mrs Love, Miss G and Miss Massey
