

# The Week Ahead....

Week beginning 9<sup>th</sup> February 2026

This week we will be learning about the Lunar New Year. We will retell the story and learn about the traditions. We will have fun taking part in craft activities such as making lanterns, and dancing with a dragon head.

## Phonics

This week we will be recapping all our phonemes, and tricky words. A key focus is to recognise and point out the digraph or trigraph in a word before reading it. We will be carrying out our assessments this week.

## Maths

We will be learning about capacity this week and using the language full and empty, and making comparisons.

Please remember Tuesday is PE day - the children need to wear their PE kit.

Please make sure your child is wearing school shoes on the other days - not boots or trainers.

We hope you have a lovely half term week- school finishes at the normal time on Friday 13<sup>th</sup> February.
