## Week Ahead

Week beginning 9/02/26

Last week the children enjoyed being very creative. We have been doing lots of activities developing their fine motor skills, playdough, painting, drawing and picking up items using tweezers.

This week we will be our first week learning about people who help us. We will be learning about how the police can help us, we have a member of the police school's liaison team coming to visit and talk to the children. We will have a police station role play area where the children can take on different roles.

They will then be using their detective skills to solve a mystery!

**If you have any questions, please come and speak to us at the beginning or end of the session.**
