

Week ahead  
w/b 23/3/26

It was great to see so many parents at the recent parent's evening, we hope you found it useful.

Thank you for the toilet roll tubes you sent in last week, all of the children enjoyed painting their own octopus.

The children explored a manmade rock pool and made some colourful fish. Whilst the reception children were on their trip, we explored their outside play area!

This week we will continue our theme of under the sea. We will be opening a new role play area - an aquarium - using the pictures that the children created last week. We will be creating some jellyfish and learning about the creatures that live under the sea.

Reminders: please bring maths games and library books back to Nursery on a Monday.

A new library book will come home on a Tuesday and a Maths game on a Thursday.

Any questions please come and ask.

Mrs Tickner, Mrs Love, Miss G and Miss Massey.
