

Week ahead

Week beginning 5th May

Eddie's garden

The children have had another busy week in Nursery. We had some great ideas for what children would like to find at the top of their beanstalks including unicorns, parks, a day at the beach, a blue dinosaur and a pink ice cream! The children's drawing is really developing.

This week we will be finishing our learning about the topic of growing - although we will continue to plant and watch our Nursery Garden grow. Thank you for the seeds that were sent in. The children have loved planting and watering. We just need to be patient for the plants to grow. Our sunflower seeds are getting taller.

The children have been learning to write their names, we will be sending home a sheet with each of the children so that they can practice the correct letter formation for their names, if you would like to support them.

There will be a variety of activities including phonics, maths and some creative picture making too.

Any questions please ask at either the beginning or end of the session.

Mrs Tickner, Mrs Love, Miss G and Miss Massey
