

Week ahead

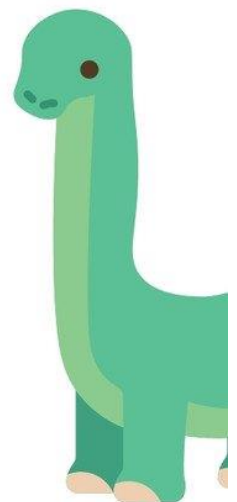

Week beginning 11<sup>th</sup> May

The children had another fun packed week at Nursery. They have played well together and done lots of investigating. We had another trip to the Woodland area, where the children listened to the baby blue tits asking for food, listened to a story and then looked for items around the area.

For the next two weeks we will be learning about dinosaurs. Our outside role play will become a dinosaur museum.

The children will be excavating dinosaur bones, making their own fossils, painting pictures of dinosaurs, sorting dinosaurs and ordering dinosaurs from biggest to smallest plus lots of counting.

If you have any questions, please ask at the beginning or end of the session.

Mrs Tickner, Mrs Love, Miss Massey and Miss G
