

Week ahead

Week beginning 16/6

This week the children enjoyed learning all about butterflies. Our caterpillars are now in their cocoons; we are waiting patiently for them to become butterflies.

Our learning this week will be based on the story The Very Lazy Ladybird. We will learn about their life cycle and what they like to eat. We will make our own ladybirds, in 2D and 3D!

We will also be making some junk models of insects to add to our display in Nursery. If you have any small boxes to send in that would be great.

Reminders -

Please send your child with a filled water bottle each day to Nursery.

As the weather is very changeable at the moment, please send your child in with a coat.

If you have any questions please ask at the beginning or end of the session.

Mrs Tickner, Miss Massey, Miss G and Mrs Love
