

The Week Ahead....

Week beginning 6.7.2026

Pirates

This week we are having a Pirates week. We will have fun making hats, treasure maps, pirate ships and writing stories.

We are having a pirate dress up day on Friday. You don't need to buy a special outfit if you don't already have one - a stripey t-shirt and shorts will be fine.

We can make accessories such as hats at school

It is also Fitness Week, so remember to wear your P.E. kit every day- not Friday.

Phonics

In phonics we will be continuing to revise all our digraphs and tri graphs, and practising our letter formation using the Little Wandle rhymes. Please encourage your child to form their letters correctly at home - bad habits are hard to break!

Maths

In maths we will be revising all the maths topics from this half term. We will continue to work on different ways to make 10 eg 3 and 7; 4 and 6. We will find 1 more/ fewer than any given number to 10. We will find all the double numbers to 10 eg 1 and 1 is 2, 2 and 2 is 4 etc.

We will also be working on number formation.

This is the last week for reading books and library books. Please make sure ALL books are returned by Friday.
