

Another busy week in Nursery!

The children were fully engaged in their tennis lesson and listened well.

The children have made a lot of progress at school since starting in September. They are taking turns with the toys, sharing and talking so well to adults and each other. They should be very proud of themselves, which we are at school.

They really enjoyed the teddy bear themed activities, particularly making sandwiches and icing biscuits for the Teddy Bear's picnic!

Next week is our final full week together. We have decided to have a pirate theme for our activities. **There will be a dress up as a pirate day on Wednesday - we have plenty of spare costumes in Nursery if you don't have any pirate clothes (stripy t-shirt) at home.**

There will be other pirate themed activities including making treasure maps, pirate counting, pattern making, role play and many others!

The children have looked after our garden so well, watering it - quite a lot as it has been so hot! Watching the plants grow and looking at the minibeasts that come to visit. This is the first year that we have managed to get a sunflower to flower. Incredible.

Thank you for being supportive parents. We wish you all well as your children move into Reception, and look forward to welcoming back the children who will be staying with us.

Mrs Tickner, Mrs Love, Miss G and Miss Massey
