

The Week Ahead....

Week beginning 13.7.2026

Bears

This week we are reading the story of 'Goldilocks and the Three Bears'. We will learn about different sorts of bears eg polar bears, grizzly bears and koala bears, and find out where they live. We will end the week by inviting our bears into school and having a teddy bears' picnic.

We are also going to learn about being healthy and plan to make fruit kebabs. Please could you send some fruit with your child on Monday or Tuesday. We will share the fruits get some variety on our kebabs. All types of fruit gratefully received! (including more exotic fruits such as melon, pineapple, mango, grapes etc)

Phonics

We have finished our phonics programme for Reception so will spend the week playing some fun games and using our phonics skills to do some amazing writing!

We are really proud of the progress the children have made this year. Please keep their phonics going at home over the summer by reading stories together, and encouraging writing eg shopping lists, keeping a holiday diary, making up a story.

Maths

In maths we will be recapping on the names and properties of 2 and 3D shapes.

Please make sure ALL books have been returned.

We would like to take this opportunity to say what a fantastic year we have had with all your amazing children. We are sad to see them go, but look forward to seeing what they will achieve in year 1. Many thanks for all your support this year.

From:

Robins: Mrs Attrill, Ms Herd and Mrs Karas

Swans: Miss Cadman, Mrs Orchard and Miss Massey

Sparrows: Miss Furnell, Mrs De Silva and Mrs Marsh
